

Google Classroom Infographic.

To join a class in Google Classroom please follow the steps below.

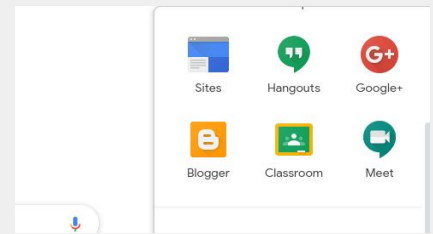

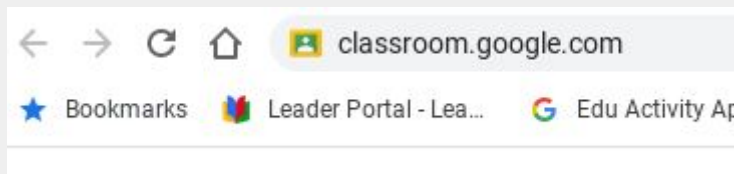

Remember to sign in with your Jeppe Google Account. First, open up the Chrome Web Browser

Step one: Click on the app launcher Icon.

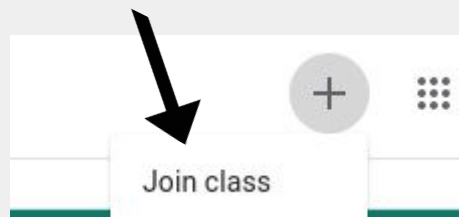

Step two: Scroll down and click the Google Classroom icon.

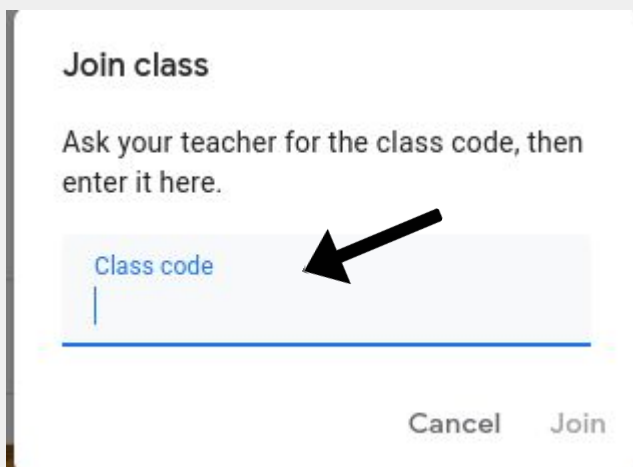

(If the Google Classroom Icon is not there please type Classroom.google.com in the Omni box)

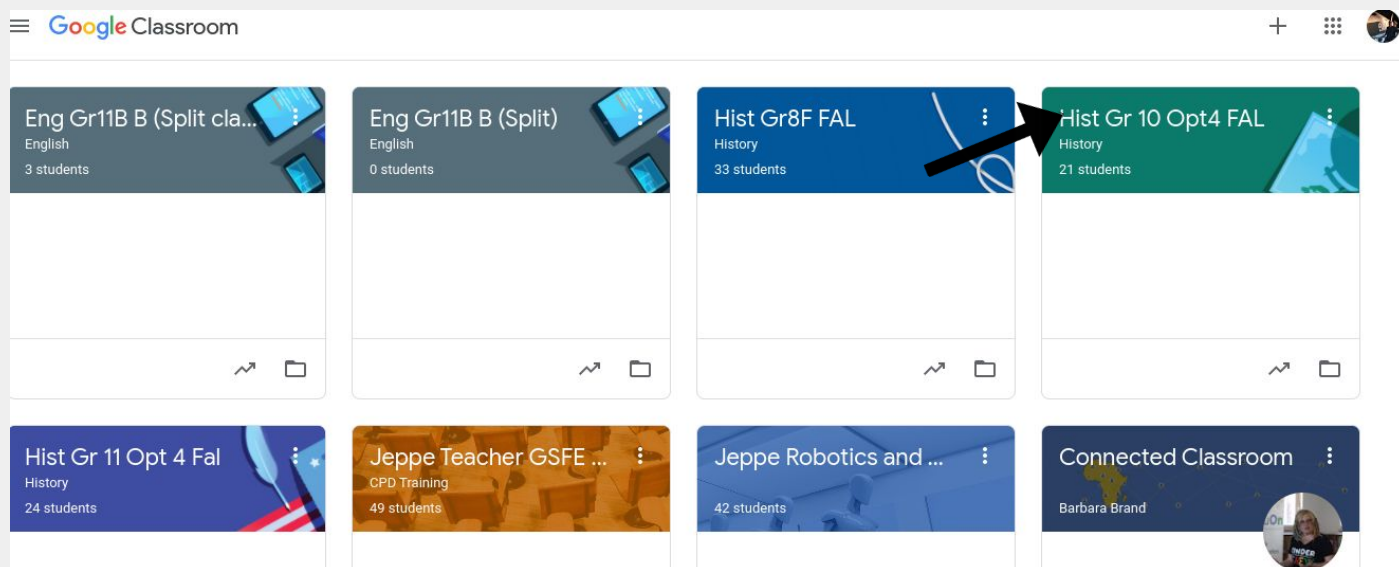

Step three: Once on the classroom main page click the PLUS symbol on the right and select join class.

Step four: Enter the class code and click join.

Step five: Once you have joined all of your classes you will have a number of tiles showing the classes you have joined. To enter a class click on the main title.

Step six: You are now inside one of your classes.
