Jeppe High School for Boys Colours Document

Last updated: 11 March 2020

Preamble for Colours Criteria for Extra-Mural activities

AIMS

1. To encourage learners to achieve at the highest level in both curricula and extra-curricular activities in the senior grades.
2. To reward achievement at various levels in school activities.
3. To motivate learners in Grade 8, 9 and 10 to aspire to greater levels of achievement as they move into the senior Grades.

THE COLOURS COMMITTEE

The Colours Committee of Jeppe High School for Boys is responsible for ensuring that the awarding of colours is consistent and fair across all school activities, and that the decision-making process is transparent. The Colours Committee is appointed by the Headmaster, and members will serve for a period of 2 years on the committee. The Master-In-Charge of the activity will make the initial proposal of awards to the Colours Committee after which the Chairman will present to Headmaster for final sign off. All awards must be ratified by the Headmaster. The Headmaster has the right to add or reject boys from the list of recipients submitted by the Colours Committee.

The Colours Committee will consist of the following people – this committee:

Director of Sport: **Mr. B. Gittins** (Chairperson)
5 Staff members: **Mr. P. Mhlanga**
Ms. B. Kemp (Director of Cultural Activities)
Mr. D. Williams
Mr. M. Schneider
Mr. P. Murison

Also, the MIC of the specific sport or cultural activity in question.

Ms. C. Rattray is in charge of the awarding of all academic colours.

Ms. K. Faller will be in charge of recording minutes and archiving records of decisions for the Chairman of the committee.

In order to get a clear picture of the nominees, certain statistics, where applicable, must be produced at the Colours meeting by the MIC. The following information is compulsory:

1. The league/competition in which this team competed.
2. The number of times the team/group participated in this league/competition.
3. The overall statistics of the activity i.e. games won, lost or drawn, and the exact score of said win/draw/loss.

*Turning **black and white** into **gold***

4. Statistics around the performance of the individual nominees for that season must be available. Only officially verified and complete statistics will be taken into account. Any information relating to Provincial and National team selection must also be provided.
5. Information about previous awards that the individual nominee has received will be provided by the Chairman.
6. Disciplinary, behavioural, attendance and academic record of the individual nominee if applicable should be provided.

SUPENSION/REMOVAL OF COLOURS AWARDS

Should a learner who has been awarded colours/scroll at any time breach the school's Code of Conduct or exhibit behaviour which, in the opinion of The Headmaster, is not befitting of a Coloursman, said learner's award/s may be withdrawn/recalled/suspended by the Headmaster. Colours awards may also be suspended/removed should a learner no longer compete in the activity.

AWARDS CATEGORIES

Honours Blazer: Honours will be awarded to a learner who has met the Full Colours criteria in all three of these categories: Academic, Sport and Culture. The recipient does not need to have received Colours awards for all three categories within the same academic year.

Full Colours: See criteria per sport/activity

Half Colours: See criteria per sport/activity

Scroll: See criteria per sport/activity

AWARDS POLICIES

When a learner receives a Colours award, he will receive a letter of congratulations that he has become a 'Coloursman' of Jeppe High School for Boys. This letter will also clearly state the responsibilities and expectations that the school has of a learner receiving Colours.

1. Colours are awarded for excellence at the discretion of the Colours Committee. Although being selected for a provincial team is a strong indication of excellence, it will not be the only indication. Excellent standard of play by the learner, as well as good team performances over the season (to be motivated/justified by the MIC in question), will count in the learner's favour when awarding Colours.
2. Any learner who is nominated for a Colours award must achieve the minimum academic standard to receive or wear Colours. That means that, in order to wear his colours blazer, the boy must have passed the two previous terms OR pass the year and be promoted to the following grade. He will be entitled to wear his Colours blazer only when these academic criteria are achieved.
3. Colours awards can only be made to Grade 11 and 12 learners. If any other boy (Grade 8-10) qualifies for an award and is age appropriate (U17 upwards), he will be formally recognised, at the start of his Grade 11 year.
4. Each Sporting code's policy is subject to the overall Colours policy.
5. Although it is difficult to equate various activities, an attempt should be made to do justice to all aspects of awards as equitably as is possible.
6. Factors such as the number of competitions entered, number of learners taking part in relation to Jeppe High School for Boys as well as other schools, the level at which the activity is offered or played, etc. must be taken into consideration when a learner is nominated for an award.
7. In order to retain the right to wear the Colours blazer, the learner must continue to participate in that sport/activity in subsequent seasons or years. A learner can be suspended from wearing colours if he does not commit fully in attendance to his sport or activity.

8. In making these awards, the Colours Committee should take into account the character and attitude of the nominee representing that activity. Awards are subject to acceptable behaviour, co-operation and academic application.
9. Learners must be in the 1st/A team, competing against other schools' 1st/A teams to be considered for Colours. Where a league competition is applicable, the team must be competing in the highest league.
10. Colours will only be awarded for sports/activities officially offered by Jeppe High School for Boys. (See sports and activities listed)
11. Colours candidates must have attended all of the practices, however; serious injuries and any personal circumstances that may have affected the candidate's attendance should be taken into consideration.
12. Colours candidates must have participated actively in all fixtures/events, injuries and personal circumstances permitting.
13. In order to qualify for awards for minor sports and activities, learners will be expected to:
 - 13.1. Develop the sport/activity by helping to grow the numbers of participants.
 - 13.2. Serve the sport/activity by helping at events and functions.
14. Colours will be awarded at the following assemblies:
 - 14.1. At the end of Term 1 for all Summer Sports. (See below)
 - 14.2. At the end of the Winter season in Term 3 for Winter Sports. (See below)
 - 14.3. At the start of Term 4 for 3rd term sports. (See below)

SPORTS offered at Jeppe High School for Boys:

Aquatics (Swimming and Water Polo)	Rugby	Athletics
Cricket	Hockey	Soccer
Basketball	Cross Country	
Golf	Squash	
Orienteering	Mountain Biking	
Rowing		
Tennis		

CULTURAL ACTIVITIES that are eligible for colours awards at Jeppe High School for Boys:

First Aid	Pipe Band	Drama	Debating
Public Speaking	Chess	Choir	Marimba

Record Keeping

The Chairman of the committee (**Mr. B. Gittins**) must keep a record of all awards made to learners within his assigned sport. An electronic version of the awards and the recipients must be forwarded to the ITC office for safekeeping. When an award of Colours had been made, this must also be recorded on Ed admin. **Ms. K. Faller** will assist in the administrative responsibilities of archiving these records.

Appeals

A learner may question his award or the lack thereof. This must be done through the office of the Deputy Headmaster in charge of Extramurals (Mr B. Gittins) who will then consider the appeal and if need be will then present the appeal to the Colours Committee and the Headmaster if need be . Appeals must be made in writing. After the appeal has been thoroughly investigated, the Chairman of the Colours Committee will inform the boy in writing of the outcome. The ultimate decision around the appeal rests with the Headmaster, whose decision is final.

Academic Colours

Only learners in the FET phase (Grades 10-12) are eligible to qualify for academic colours. Academic colours are awarded once a year at prize giving and at the valedictory service for the Grade 12s.

Full Colours: To be awarded Full Colours, a learner must maintain an average for the year (i.e. an average across 4 terms) as follows:

- Grade 10: an average for 4 consecutive terms above 85%
- Grade 11 and Grade 12: an average for 4 consecutive terms above 80%.

Half Colours: To be awarded Half Colours, a learner must maintain an average for the year (i.e. an average across 4 terms) as follows:

- Grade 10: an average for 4 consecutive terms above 80%
- Grade 11 and Grade 12: an average for 4 terms above 75%.

Academic ties may be worn only by boys who have full or half colours for academics.

Sports Colours Criteria

- Learners in the Open and u17 age groups are eligible for an award where their individual performance is excellent (refer to table) or where their value to the team in points scored warrants it, i.e. placed 1st or 2nd in the majority (80%) of inter-school meetings (with particular reference to the annual Inter-High competition), or where they have participated in multiple events in inter-school meetings.
- Excellent performances will be based on the objective criteria of the Performance Standards Table in this document. These standards are based on the ABSA points tables. See the list of standards overleaf.

Additional points that should be taken into consideration by the Colours committee:

1. Obtaining the specified performance is the first consideration, and should be done during the main mass participation Athletics season (Term 3).
2. The position obtained at Inter-High events is a crucial factor and an Inter-High A team win should result in at least a Half Colours nomination. This means that the athlete is the best in that discipline, on the day of the biggest boys school athletic event on the calendar.
3. Selection for a Provincial Team and/or the Inter-Provincial Schools Team should be seen as an indication of the high standards obtained. Placing in the Gauteng School championships will add weight to a Full Colours nomination. The athlete will be expected to participate fully in Term 3 and must be considered according to the main criteria.
4. Consistency
 - a. The athlete must reach the above standard at least three times (twice if the season is deemed too short by the Colours Committee) in a season. A once-off performance will not qualify the athlete for Colours, although an exceptional performance at Inter-High will be considered.
 - b. The athlete's placing and performance in all events should be taken into account. He should finish in the top 2 (Full Colours) and top 3 (Half Colours) in over 80% of the meetings. The performance and placing at the annual triangular and Inter-High is taken into consideration first.
 - c. The athlete must be available for selection for the School Team for ALL meets.
 - d. A relay team member must compete in all of the inter-school meetings to qualify.
5. Qualifying meets
 - a. Only events competed in at official meets will be considered for Colours. This only includes the meets in Term 3 (main season) and includes Inter-House.
 - b. Performances on a tartan track should be considered although it should be understood that tartan tracks produce faster times. This should be considered when awarding Colours in order to keep the awards consistent and fair.
6. Elite Athletics

An athlete's participation in the Elite Athletics programme should be considered and will add weight to any Colours nomination. However, the athlete must meet the criteria in the main season first and foremost. i.e. If an athlete does not meet the criteria for Colours in Term 3, but subsequently improves and meets the criteria in Term 1, the Term 1 performance will not result in a Colours nomination at that stage, but will add weight to a future Term 3 nomination.

7. Scroll

A scroll can be awarded to a boy who has performed on an admirable level for the sport's 1st/A team, but did not meet the criteria for Full or Half Colours. He should be an important member of the club. (A boy should be available for all meets and must have 100% practice attendance)

Basketball

Full Colours: Awarded to a player who in the opinion of the Head Coach is at a level where he would represent the U18A/U19A Gauteng provincial team at IPT (should there be one) or good enough for the SA Schools team. If no such team has been selected, the players should be deemed to be among the best in the province. The player must be a regular in the starting/playing team and have played a major role in the success of the 1st team.

Half Colours: Awarded to a player who in the opinion of the Head Coach would represent the U17A or U18B Gauteng provincial team at IPT (should there be one). The player must be a regular in the starting/playing team and be a valuable member of the 1st team.

Scroll: A scroll can be awarded to a learner who has performed at an admirable level for the sport's 1st team, but did not meet the criteria for Full or Half Colours. The boy should have played in at least 50% of the 1st team games.

Cricket

Full Colours: Awarded to a learner who is selected for the Gauteng Schools U19A and B team, or for the SA Schools A or B team in that particular season. Selection for the Lions Cubs team will also be taken into consideration. Consideration can be made for players with a consistent and excellent contribution to the success of the 1st team, as evidenced by stats.

Half Colours: Awarded to a learner who is selected for the Gauteng Schools U17A team in that particular season or has performed at a consistent level and contributed to the success of the 1st team, as evidenced by stats.

Scroll: A scroll can be awarded to a learner who has performed at an admirable level for the sport's 1st team, but did not meet the criteria for Full or Half Colours. The boy should have played in at least 50% of the 1st team games. A player's statistics may add weight to his colours nomination.

Cross Country

Full Colours: To qualify for this award, the learner must:

1. Achieve a position in the top 10 in at least 4 senior races (they need to have run in the compulsory race, plus any 3 other races) OR must have an average finish place in the top 10 throughout the season.
and
2. be invited to run at Inter-Districts. The learner needs to come in the top 10 at Inter-Districts.
and
3. It is expected that the athlete will make himself available for Term 3 Gauteng Championships.
and
4. The athlete must participate for the school during the Term 3 Athletic season.

Half Colours: To qualify for this award, the learner must:

1. Achieve positions between 10 and 20 in at least 4 senior races (they need to have run in the compulsory race, plus any 3 other races), or must have an average finish in the top 20 throughout the season.
and
2. Be invited to the Inter-Districts. At this race the learner needs to be positioned between 10 and 20.
and

3. It is expected that the athlete will make himself available for Term 3 Gauteng Championships.
and
4. The athlete must participate for the school during the Term 3 Athletic season.

Scroll: A scroll can be awarded to a learner who has performed at an admirable level for the sport's 1st/A team, but did not meet the criteria for Full or Half Colours. He should be an important member of the club/team. (A boy should be available for all meets and must have 100% practice attendance)

For a boy to qualify for a Golf award, the boy needs to have a single figure handicap. The performance of the Golfer in the Boys School, while representing Jeppel, is of first consideration when determining colours awards. Performances at club and external competition can add weight to a nomination.

Full Colours: A nominee will be considered if he represents a Gauteng or Eastern Gauteng Provincial U19A team at least 3 times or at the annual IPT. The individual is considered among the best players in the boys' school league (All leagues) while representing the Jeppel A Team. A learner may be nominated based on attaining the standard of play which, in the opinion of the Colours Committee, would be of Gauteng Schools standard.

Half Colours: A nominee will be considered if he represents a Gauteng or Eastern Gauteng Provincial U19B team at least 3 times or at the annual IPT. The individual has performed at a high level and contributed to the success of the Jeppel A Team.

Scroll: A scroll can be awarded to a learner who has performed at an admirable level for the sport's 1st team, but did not meet the criteria for Full or Half Colours. The boy should have played in at least 50% of the 1st team games. The boy must have a single figure handicap.

- *Colours Criteria currently under review*

Full Colours: Awarded to a player who represents the U18A Gauteng provincial team at IPT or is selected for SA Schools A or B side.

Half Colours: Awarded to a player who represents the U17A or U18B Gauteng provincial team at IPT.

Scroll: A scroll can be awarded to a learner who has performed at an admirable level for the sport's 1st team, but did not meet the criteria for Full or Half Colours. The boy should have played in at least 50% of the 1st team games.

Orienteering

Full colours: Awarded to all 1st team players who are selected for a provincial A team and/or:

1. have a log score of 800 or above points

and

2. have been invited to and have participated in the Provincial final and have achieved a place finish (1,2,3,4) in the final to meet QFSA guidelines.

Half colours: Awarded to all 1st team players who are selected for a provincial B team and/or:

1. have a log score between 700 and 799 points

and

2. have been invited to and have participated in the Provincial final and have come in the top 10 so as to meet OFSA guidelines .

Scroll: For all 1st team members who have participated in all of the matches for the 1st team and have log scores between 500 and 699 points to meet OFSA regulations.

Rowing

Points

Points are to be awarded at the following regattas:

1. Gauteng Championship Regatta (2000m) – A Final.
2. One Other Local Regatta (2000m)
3. One Other Local Regatta (2000m)
4. South African Championship Regatta (2000m)- Double points – A Final.
5. Victoria Lake Regatta (1000m) – Double points
6. Boat Race (6000m)

Place	1st 8	1st 4	1st Skull	1st Pair
1	10	10	10	10
2	7	7	7	7
3	6	6	6	6
4	3	3	3	3

Important Considerations

1. An oarsman must be in a senior open age group.
2. If an oarsman is part of 2 crews, the crew with the best performance at a given regatta will be taken into account.
3. An oarsman may only miss 2 regattas because of injury.

Full Colours: Full Colours should be awarded to a rower who qualifies for Half Colours in terms of the number of caps obtained, and who also is an exceptional rower both in ability and nature. His performances while competing should consistently be outstanding, and he should be an example in his sport that all schoolboys, not only at Jeppe, should strive to emulate. Selection for a National team is not a prerequisite, but could be used as a guideline when awarding Distinctions. Achieving 45 points, placing at the National Championships, placing at Gauteng Championships and/or selection for a provincial crew however is a prerequisite.

Half Colours: Half Colours should be awarded to a rower who has been capped (competed in an u19A/'First' event) for at least 70% of the season. He should be an outstanding rower both in ability and nature, and should consistently produce performances of the highest level. The achievement of 40 points, participating in an A final at the National Championships, placing at Gauteng Championships and/or selection for a Provincial crew are NOT prerequisites, but will be used as a guideline when awarding Full Colours.

Scroll: A scroll can be awarded to a learner who has performed on an admirable level for the 1st 8 team, but did not meet the criteria for full or half colours. A scroll should be awarded to a rower who has been capped (**competed in an u19A/'First' event**) for at least 50% of the season. A "cap" is only awarded if the oarsman actually rowed in a regatta. His manner both while competing and while representing his school at the sport must be supportive of his teammates and the coach, and his behaviour must be of a very high standard. An award of a scroll is in recognition of the fact that the boy rowed for the first crew in his chosen sport.

Full Colours: Awarded to a player who represents the U18A and the Craven Week XV or The SA Schools or the SA Schools A team. A learner should represent the 1st XV consistently to be in line for this award.

Half Colours: Awarded to a player who represents the the u/19 Golden Lions Academy XV. A learner may be nominated based on attaining the standard of play which, in the opinion of the Colours Committee, would be of Lions Schools standard.

Scroll: A scroll can be awarded to a boy who has performed at an admirable level for the sport's 1st team, but did not meet the criteria for Full or Half Colours. The boy should have played in at least 50% of the 1st team games.

Full Colours: Award based on attaining the standard of play which, in the opinion of the Colours Committee, would be of Gauteng Schools' A standard.

Other factors that will be considered for the awarding of Colours are:

1. Number of years the nominee has played in the 1st team
2. The level of performance of the nominee's team in major tournaments
3. If the nominee has been involved in helping with the development of Soccer at Jeppe

Half Colours: Award based on attaining the standard of play which, in the opinion of the Colours Committee, would be of Gauteng Schools' B standard.

Scroll: A scroll can be awarded to a learner who has performed at an admirable level for the sport's 1st team, but did not meet the criteria for Full or Half Colours. The boy should have played in at least 50% of the 1st team games.

Squash

Full Colours: Awarded for selection to the Gauteng u19A team or SA Schools team

Half Colours: Awarded for selection to the Gauteng u19B team

Scroll: A scroll can be awarded to a learner who has performed at an admirable level for the sport's 1st team, but did not meet the criteria for Full or Half Colours. The boy should have played in at least 50% of the 1st team games.

Swimming

Full Colours: The candidate must have achieved 850 on the points table in 3 out of 5 events. The swimmer must reach the above standard at least three times in a season (twice if the season is deemed too short by the Colours Committee) in a season.

The candidate must be selected to represent Gauteng at the SA Champs.
For outstanding/excellent performance (only applicable to u/17 and open groups) based on National Open Times.

The number of points that the candidate has added to the team's overall score (by being placed 1st, 2nd or 3rd at Inter-High) should also be taken into consideration.
The student should attend all swimming practices.

Half Colours: The candidate must have achieved 750 on the points table in 3 out of 5 events. The swimmer must reach the above standard at least three times in a season (twice if the season is deemed too short by the Colours Committee).

Scroll: A scroll can be awarded to a boy who has performed at an admirable level for the sport's 1st/A team, but did not meet the criteria for Full or Half Colours. He should be an important member of the team/club. (A boy should be available for all meets and must have 100% practice attendance).

Tennis

Full Colours: Awarded to a learner who is selected or deemed to be at a level good enough to represent the Gauteng u19A team or the SA Schools A/B team.

Half Colours: Awarded to a learner who is deemed at a level good enough selected to represent the Gauteng u19B team. A learner may be nominated based on attaining the standard of play which, in the opinion of the Colours Committee, would be of Gauteng Schools standard.

Scroll: A scroll can be awarded to a learner who has performed at an admirable level for the sport's 1st team, but did not meet the criteria for Full or Half Colours. The boy should have played in at least 50% of the 1st team games.

Water Polo

Full Colours: Awarded to a player who represents the U19A Gauteng provincial team at IPT or the SA Schools U19A and B Team or the SA Schools U17A team. Selection for Currie Cup teams will add weight when motivating a boy's case for Colours, but it will not be an automatic qualification for Colours.

Half Colours: Awarded to a player who represents the U19B Gauteng provincial team at IPT.

Scroll:

A scroll can be awarded to a boy who has performed at an admirable level for the sport's 1st team, but did not meet the criteria for Full or Half Colours. The boy should have played in at least 50% of the 1st team games.
