29th October 2021

Dear Parents,

As you may be aware, the most recent Government Gazette has officially given schools the go ahead to allow spectators onto the school premises to watch sporting and cultural events. We are delighted with this development and look forward to welcoming families and friends back onto the campus as we believe it is vitally important that the boys do receive this support.

The regulation allowing spectators back onto the campus comes with various stipulations, strict control and repercussions on the school management if not adhered to. Please note the following:

- We cannot dictate to other schools on how they will or will not handle the regulations. Please respect the procedures you will be asked to adhere to at these venues and please be patient as schools try to find the best way to implement these changes.
- A maximum number of spectators is allowed at any given time. The school will manage this and although unlikely to have an impact at this stage it could lead to spectators not being allowed in after that capacity has been reached.
- All spectators will be required to complete an online registration form at the gate using a QR code or link.
- All spectators will be screened and sanitised at the gate before access is allowed.
- Spectators are expected to wear a mask at all times, particularly when sitting near other spectators from another household.
- Spectators are expected to practice social distancing at all times.
- The school has the right to ask you to leave the premises.
- Please treat our security guards with patience and respect as they take you through this process.

At this time, as we welcome enthusiastic parents back on our campus to support, I thought it would be a good opportunity to remind parents of the parental pledge that they took. I'd like to encourage all parents to read through this pledge as they once again enjoy the spirit of school boy sport.

Parent Pledge: shorturl.at/nBDE4

Kind Regards,

Mr B Gittins
Deputy Headmaster
