Dear Parents and Guardians

FEES SCHEDULE – 2022

At the Annual General Meeting, the School Governing Body and Finance Committee managed, through good financial management and governance, to limit the annual school fees increase to 4.9% for school fees and 5.6% for boarding fees.

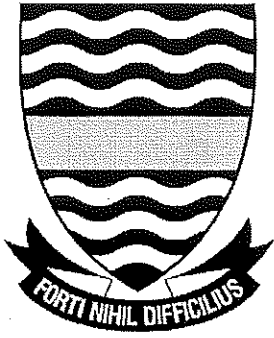

Should the full school fees for 2022 be paid by 31 December 2021, the Early Bird school fee discount which has been increased to R3 000.00 will be applicable. A further R3 000.00 will similarly be applicable for the boarding establishment Early Bird discount. The January 2022 Early Bird discount will remain at R2 000.00 for school fees with an additional R2 000.00 for the boarding establishment. We would like to remind all parents and guardians of this opportunity and to encourage all those who are able, to take advantage thereof.

Should you wish to take advantage of the Early Bird offer for December 2021 or January 2022 school and/or boarding establishment fees in advance, please complete the attached "Payment Options 2022" form and return to Ischafer@jeppeboys.co.za by 30 November 2021. Failure to do so will impact the school's ability to finalise the year-end administration which may, in turn, impact on the 2022 billing.

In the context of an extremely challenging economic climate and the difficulties of COVID-19, we greatly appreciate the sacrifices of those parents who continue to honour their school fee obligations and meet their financial responsibilities to the school and thank all parents and guardians for prioritizing the payment of school fees.

Yours sincerely

Mr Dale Jackson
